Subject: Approval of a Maintenance Policy Manual (MPM) supplement amendment

Dear Anthony,

Following a review of the elements contained in the referenced MPM supplement against the requirements of the current Agreement on Civil Aviation Safety between Canada and the European Union (EU), Transport Canada hereby confirms approval of your MPM supplement amendment. This supplement approval allows for acceptance by the European Aviation Safety Agency (EASA) of maintenance performed on EU aeronautical products subject to compliance with CAR 573 and the EASA special conditions as detailed in the Maintenance Annex Guidance (MAG). This Approval does not exceed the scope of your current TCCA CAR 573 certificate.

Avanti Aerospace and Engineering Inc.

EASA Part-145 Approval Reference number: EASA.145 7162 valid until 01/09/2019

Your MPM supplement reference: Edition 2, Revision 1 dated 07 Jun 2018 is hereby approved by Transport Canada.

Sincerely,

Brian Mushich
